

Queensland office network and key contacts list

IPAR is one of the largest providers of injury prevention and return to work services in Queensland. Our client-centric services help people to safely and sustainably recover and return to wellbeing and work.

Our customers benefit from:

- ✓ A comprehensive office network servicing all metropolitan and regional centres
- ✓ Permanent employees from the local community
- ✓ An effective and timely service – we can be onsite, commencing intervention, within 24 hours of referral
